To celebrate the 75th anniversary of the [Keeneland](http://www.keeneland.com) Race Track in Lexington, Kentucky, the [Garden & Gun](http://gardenandgunclub.com) Club hosted a cocktail brunch at the Keene Mansion on Saturday, October 8.

In addition to Club members from Florida to Pennsylvania, joining us at the event was the team traveling with the [Great American Woody](http://followthewoody.com), a custom-designed teardrop camper turned gorgeous bar that has been touring around the country.

In time for the first post, guests arrived at the Keeneland Clubhouse to enjoy a lively day of opening weekend races.

A special thanks to our partners:
